or fax to (780) 452-7588

The GDC ABN Chapter is as effective and productive as its members make it. Participating as a member of the Executive is an opportunity to contribute to your organization and profession in a meaningful and fulfilling manner. Traditionally, the President should have served a term as an Executive Vice-President, but all other positions are open for nominations of members in good standing. Two of the positions (in addition to the President) also assume the duties of National Representative.
