Dear Members,

We are one of the most active Chapters in Canada. In our years as a Chapter, we've achieved so much together and these activities have had effects not only locally but nationally too.

2010 is a voting year and an opportunity for you to become part of our growth. As an executive member, your voice helps to shape the Chapter.

Please consider joining the executive or nominating an appropriate candidate. I can assure you that being part of this professional organization is enriching both professionally and personally.

A new slate of officers will be elected and the positions available are:

President
Vice President(s) x 3
Secretary
Treasurer
North Island Representative
South Island Representative
National Representative

If you are interested in any of these positions or if you would like to nominate another member, please complete the nomination form attached and fax it to: 250.413.3110 by January 25.

Elections will be held at the Chapter AGM on January 28 at Ambrosia Event Centre (638 Fisgard Street, Victoria), which begins at 5:30 pm.

A presentation by Mark Busse MGDC, past president of the BC Chapter and current Chair of the 2010 Icoagrada Design Week will follow the AGM.

If you have any questions regarding individual positions and duties or about being on the executive in general, please contact me.

Naturally,

Valerie Elliott MGDC
President, president.vibc@gdc.net, 250.413.3181
